

PITTSBURG IN DOUBLE HEADER

(By Associated Press.)
ST. LOUIS, August 16.—Good pitching by Harmon and Cooper enabled Pittsburgh to win both games from St. Louis, 1 to 0 and 2 to 1. Harmon held the locals to six hits in the first. Cooper allowed by three in the second. Pittsburgh won the first game in the first inning on two bases on balls. Meadows' error and Hinchman's single. In the second game Pittsburgh got a run in the sixth on a hit batsman, an out and Cooper's single. St. Louis tied the score in the eighth. Betzel walked, took third when Snyder, batting for Doak, singled and scored on Cohan's out. The visitors won in the ninth. After two were out Baird singled, took second when Ames threw wildly to first and went to third when Beck dropped Hornsby's throw. He scored when Carey singled to center.

DIRECTUM TRIES TO BREAK RECORD

COLUMBUS, Ohio, August 16.—Two Murphy driven horses started as favorites for their Grand Circuit racing events and each won in straight heats. Jay Eli Mack battled with Diometer for the civic center pacing stake, being forced to cut his record to 2:03 1/4 to keep ahead in the middle heat. Mirthful was the other Murphy winner, she having no trouble in leading all the time in each of three heats.

Ben Gregor took the card's other race, the 2:13 trot, in straight heats, and in so doing prevented first choices from sweeping the program. Allie Watts and Lindsey were in higher favor than the Tennessee gelding. All the contending was done by Allie Watts, that made a break at the turn in the first heat but that trotted steadily in each of the last two miles.

Directum 1 and Miss Harris M, champion pacers, will start today to lower their world's records of 1:56 1/4 and 2:01 1/4 respectively.

KILLS HIMSELF IN WINNEMUCCA HOTEL

Howard Fraser was found dead in bed in his room in the Lafayette hotel by the chambermaid Sunday afternoon. Beside the bed on a chair lay a razor and an ugly gash across Fraser's left wrist and a vessel on the floor nearly filled with blood were

unmistakable evidences that he had committed suicide. Deceased had been stopping at the hotel about two months and had been employed at the Davey mill at Daveytown as machinist.—Humboldt Star.

Deceased was chief engineer of the Belleville mills, running two 20 stamp batteries, from 1878 to 1890, and was in Tonopah during the pioneer days. His wife was divorced from him while Fraser lived in Tonopah.

Nature Baffles Science!

THE dumbest oyster can make a better pearl than the brightest man. The oyster uses Nature's methods.

NATURE says smoking tobacco is at its best after two years' curing.

There may be quicker ways and cheaper ways to cure tobacco. But we believe in Nature's way—the VELVET way—two years' mellowing in big wooden hogsheads.

Just fill a pipe with VELVET, and draw in the cool, mild smoke that's so fragrant and rich that—but what is the use of trying to describe a taste?

Take our word for VELVET, long enough to try a pipeful, and you won't need to take anybody's word after that.
